The New Jersey Committee
Against Discrimination In Housing

32 Central Avenue - Newark, N. J. - MA 2-0707

WHY?

QUESTION: Why is a Committee against Discrimination in Housing needed?

ANSWER: The question of whether people can live as good neighbors is a top problem in America -- and in the world — today.

The great American dream of *opportunity — equal opportunity for* all — hangs in the balance.

We ask all who want to make this dream come true to join this committee.

HOW?

QUESTION: How DO you solve a problem? Deplore it? Move away from it? Say it really isn't there? Say it's none of our business? Say time will take care of it? Face it? Act on it?

ANSWER: The Committee believes we should face up to the problems of discrimination in Housing. We collect, weigh and distribute the facts — consider various solutions, and try to proceed against the problems with the approaches we believe are right.

"...with liberty and justice for all"

"THE PEOPLES OF THE WORLD CANNOT HEAR WHAT WE SAY BECAUSE WHAT WE DO KEEPS DINNING IN THEIR EARS."

— RALPH WALDO EMERSON

WHAT?

QUESTION: What makes a sound community where every individual enjoys liberty in security?

ANSWER: We believe that for moral, for religious, for traditional, for humane and for democratic reasons, each of us should have the liberty to live where he desires, and that this helps make secure our own and our neighbors' investments,

. . . and that's why The New Jersey Committee Against Discrimination was born.

WHAT CAN I DO?

QUESTION: I'm just one person, what can I do?

ANSWER:

1. If you agree with us, say so. Let your neighbors, clergyman, club leaders and friends know of your concern.
2. Become personally acquainted with families of other races, religions, national origins.
3. Help arrange or sponsor public, church and club meetings to discuss principles of democracy and decent human relationships.
4. Join or form a neighborhood organization working for improved human relations.
5. Through your organization, or as an individual, join The New Jersey Committee Against Discrimination In Housing.
